SPRING OF 1910.

PRICE LIST OF
GENERAL NURSERY STOCK

—OF THE—

Blue Valley Nursery.

To all our friends, both old and new,

GREETINGS.

With the Spring of 1910 we are entering upon the 22d year of our Nursery business, and, as in the past, we shall endeavor to please our customers by furnishing No. 1 trees and plants at a moderate cost. Our list is not a long one. Fifteen years ago we listed three or four times as many varieties, but after testing them all we have gradually culled out the more tender and unfruitful sorts until we believe our list contains only such varieties as will give the planter both fruit and flowers in abundance.

NEVINS BROS., Proprietors,

BLUE RAPIDS, KANSAS.

Prices quoted in this list are for strictly first class stock of size and age named and are for stock at Nursery. Where stock is to be shipped, we will pack it in first-class shape and deliver at depot. Purchaser must pay the freight except when shipped with a general delivery.

Our packing season commences about April 1st.
